

Sackler Faculty of Medicine
Tel Aviv University

Richard Eimert Research Grant on Solid Tumors

The **Richard Eimert Research Fund on Solid Tumors** is a venture of the Faculty of Medicine at Tel Aviv University, and brings together excellence in research between basic scientists (Preclinical Faculty at the Sackler School of Medicine) and physicians* in the field of **cancerous solid tumors**. In the second year of funding, the Research Fund will provide 3 research grants for the amount of \$50,000 and 2 x \$25,000, supporting fundamental and translational research into the causes, mechanisms, diagnosis, treatment and prevention of **solid tumors**. Proposals will be managed by the TAU Grant Committee and evaluated by outside reviewers.

Application for seed money \$50,000 grant

Format for grant proposal

Scientific background, with an emphasis of the medical question.

Research aims.

Methodology.

Role of the Preclinical PI and the Clinical PI.

How will each PI contribute to the research goal?

Collaboration strategy.

Budget justification.

Preliminary data.

Limit up to 5 pages. References can be beyond the 5 pages.

CV of each participant – NIH Biosketch format

DEADLINE: June 30, 2019

Please send application in 1 pdf file to: Alana Hassan <alanarhassan@tauex.tau.ac.il>

****Criteria***

Clinical Faculty in all specialties (rank of Instructor through Senior Lecturer) at the Sackler School of Medicine and TAU affiliated hospitals, up to 10 years after residency.

TAU Grant Committee: Prof. Karen Avraham, Prof. Ido Wolf, Dr. Michael Milyavsky
