

Research Grant to promote collaborations between PhDs in TAU-affiliated hospitals and Preclinical Faculty members of the Sackler Faculty of Medicine

This call is a venture of the Faculty of Medicine at Tel Aviv University, and brings together excellence in research between **PhDs in TAU-affiliated hospitals and Preclinical Faculty members of the Sackler Faculty of Medicine***. The Research Fund will provide 2 research grants for the amount of 40,000 NIS each, supporting fundamental and translational research into the causes, mechanisms, diagnosis, treatment and prevention of disease. Proposals will be managed by the TAU Grant Committee and evaluated by outside reviewers. The budgets will be available at the Tel Aviv University Research Authority.

*Eligible to apply - research information for PIs must be in the [Clinical PhD](#) or [Preclinical](#) Research brochures. If you are not in there and think you should be, please contact Alana Hassan, alanarhassan@tauex.tau.ac.il

Application for 40,000 NIS grant

Format for grant proposal

Scientific background, with an emphasis of the health and medical question
Research aims
