

RULES FOR

**Aufzien Family Center for the Prevention and Treatment of Parkinson's Disease  
Call for grant proposals 2020**

To encourage collaborations between TAU and the hospitals: TAU Faculty member from one of the TAU-affiliated hospitals or HMOs (MD or PhD, on clinical or regular track) are eligible to apply in collaboration with TAU Tenure-track Faculty members with laboratories on the TAU Ramat Aviv campus (Preclinical Faculty at the Sackler Faculty of Medicine; Faculty at other Faculties and Schools).

Each faculty member can only be part of **ONE** grant, whether as PI or collaborator.

**Current APPD Grant awardees:** Current APPD \$100,000 Grant awardees are not eligible to apply. APPD \$25,000 seed grant awardees are eligible to apply for another \$25,000 grant and for a \$100,000 award if there are sufficient preliminary results.

**APPD Scholarship awardees** – their PIs are eligible to apply for \$25,000 or \$100,000 grants.

Researchers from the **Neurological Institute at TASMC** are ineligible.

**Collaborators** may be from non-TAU institutions, but are not eligible to receive funding.

**Note regarding IP:** If TAU faculty and Hospital Clinical faculty are co-inventors of any results or inventions, the parties will negotiate in good faith and enter into an inter-institutional agreement relating to the protection, use and commercialization of such joint results or inventions.

Grant committee:

Prof. Nir Giladi, Prof. Karen Avraham (Co-Directors, APPD)

Prof. Yoav Henis, Vice President for Research and Development, TAU
