Tel Aviv University Center for Nanoscience and Nanotechnology- Excellence Award

Tel Aviv University Center for Nanoscience and Nanotechnology will grant a few unique Excellence Awards for PhD students in the field of Nanoscience and Nanotechnology.

The candidate must be supervised by one of the researchers affiliated with the center (listed at the website).

Candidates should forward:

- › An updated CV including a list of publications
- › Two letters of recommendation (one should be from the advisor)
- › A two-pages description of the proposed research with emphasis on nanoscience/nanotechnology

All applications should be sent to:
infonano@tauex.tau.ac.il
with the subject: **Nano - Excellence Award - 2021.**
