

**School of Dentistry at Tel Aviv University
Announce
The opening of registration**

For the next Postgraduate Program in Orthodontics

**Acceptance of application will be from Sunday 15.07.25 untill
Sunday 19.10.25**

The program starts on 26.4.26

The program duration is three and a half years full-time.

Candidates with a license to practice dentistry in their respective countries who have completed their studies at an accredited institution of higher education are eligible to apply.

**** Israeli candidates having foreign citizenship are not eligible candidates for the international program.**

Applicants who do not submit all required documents and application fee by the noted deadline for registration will not be eligible for acceptance.

Application forms and instructions can be obtained By e-mail:

orthotau@tauex.tau.ac.il

And from the department website: <https://en-med.tau.ac.il/Dental-Medicine/orthoe/?tab=0>

All accepted candidates may also choose to earn a Master's degree in Dental Sciences.

This requires supplemental credits (coursework) and is subject to additional tuition fees.
