

Faculty Positions at the Sackler Faculty of Medicine

The **Sackler Faculty of Medicine at Tel Aviv University** seeks outstanding candidates to fill tenure-track faculty positions at the level of Senior Lecturer/Assistant Professor and Associate Professor. Positions are available beginning October 2018. The candidate must hold a Ph.D. and/or M.D. degree and have post-doctoral training in the biomedical sciences. Successful candidates are expected to carry out independent competitive research programs, combined with high level teaching in graduate and medical school programs.

Areas of expertise include, but are not limited to: cell biology, developmental biology, anatomy, immunology, physiology, pharmacology, pathology, genetics, genomics, biochemistry, bio-nanotechnology and microbiology. A focus on health and disease is encouraged, in areas including but not limited to: cancer, metabolic diseases, neurodegenerative diseases, inflammatory diseases and infectious diseases.

The deadline for applications is **November 10, 2017**. Applicants should submit: (1) A curriculum vitae with a full list of publications arranged according to the instructions on the Faculty's website. (2) A research summary (not exceeding five pages, including references) including past research accomplishments, current projects (including unpublished work) and future research plans. (3) A teaching statement based on the spectrum of courses currently taught at the medical and graduate schools of the Sackler Faculty of Medicine. (4) Three letters* of reference should be sent directly by the referees to medisearch@post.tau.ac.il and addressed to:

Prof. Rina Rosin-Arbesfeld, Ph.D.

Chair, Search Committee of the Faculty of Medicine

Sackler Faculty of Medicine

Tel Aviv University

Tel Aviv 6997801

Israel

***Letters from the Ph.D. and Post-doctoral mentors are mandatory.**
