Call for Tenure Track Faculty Positions in Neurobiology – Tel Aviv University

The Sackler Faculty of Medicine and the Sagol School of Neuroscience at Tel Aviv University invite applicants with expertise in different aspects of Neurobiology to fill tenure-track faculty positions at the level of Senior Lecturer/Assistant Professor and Associate Professor. Positions are available from the beginning of October 2018.

Individuals holding Ph.D. and/or M.D., or equivalent degrees, with two or more years of postdoctoral experience and a strong publication record are encouraged to apply. Applicants should demonstrate excellence in research and strong potential for securing and sustaining independent and collaborative extramural funding. A successful applicant will be expected to develop an innovative, independent research program, and to share our commitment to excellence in undergraduate and graduate education.

Areas of expertise include, but are not limited to: Developmental neurobiology, neurogenetics and stem cells, neurophysiology, brain disorders, cellular and molecular neurobiology and computational neuroscience

Applications should include
1) Cover letter
2) Curriculum vitae (with a full list of publications arranged according to the instructions on the Faculty's website)
3) Research statement (should not exceed 3-5 pages with references, and include past research accomplishments, current projects and future research plans).
4) Teaching statement
5) Three letters of recommendation (letters from Ph.D. and Post-doctoral mentors are mandatory) should be sent directly by referees.

Applications should be sent by email by November 10, 2017 to: medisearch@post.tau.ac.il

Title of mail should be: Positions in Neurobiology

Addressed to: Prof. Rina Arbesfeld, Ph.D.
